

CHAPTER ACHIEVEMENT AWARDS

The Lambda Kappa Sigma Chapter Achievement Awards honors collegiate chapters in seven categories. For each award, chapters are invited to submit a portfolio describing and documenting the activities where possible. Portfolios can range from a short description to a description along with photographs, copies of associated materials, etc. Each award will be scored on the basis of 100 points. The chapter with the highest score will receive the individual award. Honorable mentions may be awarded. The Grand Vice-President for Collegiates and four alumni members will select the recipients. The deadline to submit proposals for each award will be May 30 of each Convention year. The awards will be presented at the Final Banquet.

Chapter Publications: Quality of chapter publications to include but not limited to newspapers distributed on campus, within the chapter and to alumni, articles (not chapter reports) submitted to the Blue and Gold Triangle or LinKS, or other publications.

Professional Projects: Quality of projects and total effort expended on projects geared toward the pharmacy profession.

Service Projects: Variety of projects and extent of chapter involvement in service projects to benefit the Fraternity, the university, or the community. This includes fundraising for worthy causes.

Scholarship: Programs promoting scholarship within the chapter. Outcomes of the programs as evidence by members on Dean's list, Rho Chi members, members receiving other academic awards within the school, Ethel J. Heath Keys, students who go on to post-graduate studies or residencies, students who present research at meetings.

Membership Recruitment and Retention: Pre-rush, rush, membership orientation and other programs promoting recruitment. Collegiate to alumni transition programs and other programs promoting membership retention. Evidence of success of the programs include increase of initiates and dues paid members.

Loyalty: Programs promoting cohesiveness, motivation, morale, spirit, sisterhood, and participation among members of the chapter.

Leadership: Leadership development programs and evidence of their success including but not limited to membership in leadership societies, current offices held in campus and off-campus organizations, and leadership awards.
